

### **Property Tax**

The most recent bills have been summarized on Attachment 4, page 1 (page 2 & 3 supply the detail by municipality) which shows the increase in property tax expense. Fitchburg was the only town where the 2003 tax bills were received, and actual amounts were different from the previous estimates. Therefore, only those bills are included in the attachment.

For all towns, the 1<sup>st</sup> and 2<sup>nd</sup> calendar quarter amounts were obtained directly from the fiscal year 2002-tax bills, which are billed either quarterly or semi-annually. For the 5 towns of Fitchburg, Leominster, Lunenburg, Shirley, and Townsend, the 3<sup>rd</sup> and 4<sup>th</sup> calendar quarter amounts were obtained directly from the fiscal year 2003-tax bills. For the 4 remaining cities and towns indicated on pages 2 & 3 by an asterisk (\*), the 3<sup>rd</sup> and 4<sup>th</sup> calendar quarter amounts were calculated to be the same as those bills paid in the first two calendar quarters of the fiscal year 2002.
